bathrooms aren't typically known as the destination spots in most homes. But for **MAX AND DYLAN KENIG**, the fourteen-year-old twin daughters of Ricky Kenig, co-owner of **FAMED BEAUTY EMPORIUM RICKY'S NYC**, it makes sense that their powder room is primped-out. This means glossy green tiles, a heated **GRASS-PRINT FLOOR**, jars of Kidrobot toys—even **SPEAKERS IN THE WALLS** for singing along to their favorite tunes in the shower. And, of course, the shelves are stocked with the latest **MUST-HAVE POTIONS AND GADGETS** from shampoos to hair straighteners. "Dad always brings home new products for us to test," the sisters say. "We're kind of like his guinea pigs!" —EVONNE GAMBRELL
